Notes:

- /a/ The figures in this table include the program's adult enrollees, who account for less than 10 percent of total SCHIP enrollment.
- /b/ The figures in this table do not include children who receive Medicaid because they are disabled.
- /c/ For simplicity of display, the Medicaid figures in this line include the additional children enrolled as a side effect of expansions of SCHIP eligibility.
- /d/ Section 112 of the act would shift coverage of childless adults in SCHIP to Medicaid and allow some states that are currently planning to shift parents from SCHIP to Medicaid to continue covering them in SCHIP.
- /e/ The Medicaid figures and SCHIP/Medicaid totals in this line include about 100,000 adults who would gain eligibility under section 211 of the act.
