<sup>6</sup> Although New Mexico still has a face-to-face interview requirement, the interview can be completed at locations other than the welfare office and required outstationed sites.

<sup>7</sup> A Spanish application is currently being developed.

<sup>8</sup> Although New York still has a fact-to-face interview requirement, the interview can be completed at locations other than the welfare office and required outstationed sites.

<sup>5</sup> Illinois conducted a pilot Title XIX presumptive eligibility project in December 1998 and is continuing to explore the use of presumptive eligibility under Title XXI.

<sup>6</sup> Verification not required for SSI and Social Security

<sup>7</sup> Missouri utilizes a "net worth" test

<sup>14</sup> Documentation for child support, alimony, and interest is not required. Documentation for other unearned income is required.

<sup>15</sup> Tennessee operates a §1115 waiver with two separate populations that have somewhat different eligibility rules. The population referred to here as the §1115 expansion includes previously uninsured and uninsurable persons.

<sup>16</sup> If income fluctuates to the extent that a 30 day period alone cannot provide an accurate indicator of anticipated income, verification of a longer period of time may be required.

<sup>17</sup> Utah has no assets test for children under 6.

<sup>18</sup> Effective April 1, 2001, Wyoming will accept self-declaration of all eligibility factors for Medicaid.
